Bottle Club

BRING THE BOURBON

LEXINGTON, KENTUCKY

THE 7th MEMBER OF THE KENTUCKY BOURBON TRAIL

NEW: Join the Town Branch® Bottle Club

Great whiskey. Exclusive bottles. A connection to the people behind the pour.

Bring the best of Town Branch Distillery straight to your doorstep with the Town Branch® Bottle Club — an exclusive way to experience our whiskey, discover hard-to-find releases and connect with the craftsmanship behind every bottle.

As a member, you'll **enjoy two bottles shipped directly to your home every quarter**, access to select whiskeys that aren't readily available at retail outside our distillery, a quarterly virtual tasting seminar hosted by Dave Bob Gaspar, our head distiller and blender, and a complimentary straight-from-the-barrel experience for four people. It's an opportunity to explore our whiskey in greater depth, hear the stories behind the spirits and enjoy a more personal connection to the Town Branch team.

Looking for a gift that goes beyond a single occasion? The Town Branch Bottle Club makes a memorable gift for whiskey enthusiasts and an exceptional corporate gifting opportunity.

With quarterly deliveries, you can keep your brand top of mind with your best customers throughout the year — long after the initial gift is received. The best part? It arrives right at their doorstep, with availability to reach more than 40 states throughout the U.S.

Our inaugural Q4 2026 shipment will include two Kentucky bourbons, including one limited annual release. You'll receive a bottle of Town Branch® Imperium MMXXVI Kentucky Straight Bourbon — Cask Strength (115.1 proof), the distillery's highly limited annual-release bourbon, and Town Branch® 6-Year Wheated Kentucky Straight Bourbon Whiskey — 99 proof, the distillery's newest heritage release.

Join today! For members who join by Nov. 1, your first quarterly shipment will be received by late November, making now the perfect time to give the gift of great whiskey or treat yourself to something special.
